

ANNUAL CHAPEL PROGRAM

2026-2027

WELCOME MESSAGE

ICSV CHAPLAIN

Danny Jack

Chapels represent a unique time for our staff and students each week. It is a break away from the regular rhythm of a classroom setting and an opportunity to connect as a larger student body. While each chapel might look different, there is one unifying purpose: *to explore our faith in community.*

Every year, we select chapel themes and topics to engage our students, communicate the truths ICSV holds dear, and equip them for impact. I am grateful for each and every opportunity we have to express God's *Amazing Grace* to our students. My prayer for the 2026-2027 school year is that God would continue to enrich our time together each chapel.

God bless!

SPIRITUAL FORMATION

Our holistic education is rooted in Christian principles that go beyond academics. We aim to promote the spiritual, emotional, and ethical development of every student as well. It is because of this perspective that we take the spiritual formation of our students seriously. Our weekly chapels represent one aspect of spiritual formation for our students.

It is our sincere hope that every student, during their time at ICSV, would experience the amazing love of God. We are dedicated to this great hope through prayer, staff involvement, and diverse spiritual formation opportunities.

By sharing our chapel themes for the year, we hope to provide our ICSV families with potential points of conversation with their children. More information regarding spiritual formation at ICSV can be had by contacting Danny Jack (ICSV Chaplain) at djack@icsv.at.

ELEMENTARY

Our elementary chapels are always filled with excitement, joy, and worship. Each week typically begins with a couple songs of worship (sometimes led by our students) followed by a short message. We also use our chapel time to recognize student achievements (Shout-Outs), reinforce our social-emotional curriculum (Friendly), and celebrate birthdays (always a highlight).

VICTORY IN JESUS

This year's elementary chapel theme is *Victory in Jesus* which comes from 1 Corinthians 15:57. Each lesson uses a story about Jesus from the Bible and an object lesson to talk about how Jesus' life, death, and resurrection give us ultimate victory over sin and death.

"But thank God! He gives
us victory over sin and
death through our Lord
Jesus Christ."

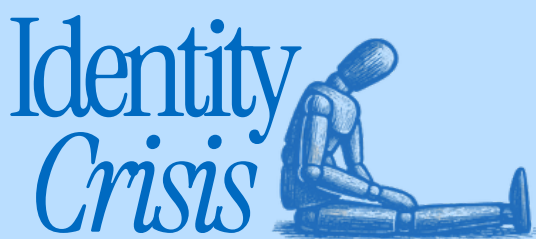

1 Corinthians 15:57

SECONDARY

This year, we will focus on three series all stemming from our 2026-2027 School Theme, *Amazing Grace*. We find that it is God's grace that connects us. It connects us with God (*Identity Crisis*), with each other (*Relationships*), and with the great community of Christian faith (*Heroes*).

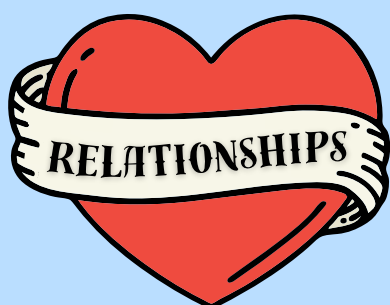

Our secondary chapels include a mix of guest speakers, panel discussions, worship, workshops, and a couple special chapels each year such as Senior Chapel. Throughout the year we also have Small Group Chapels which provide opportunity for students to ask questions, have meaningful discussions, and cultivate friendships with their classmates.

Who am I? What is my purpose in life? These are the types of questions we'll explore in our *Identity Crisis* series. We will talk about who we are in God's sight versus the common identity issues teenager may face.

In our *Heroes* series, our speakers will share about the real-life heroes that have had a profound impact on their faith. Sometimes these heroes are historical and sometimes we realize our "heroes" are the people that God has already put in our life.

Relationships are a major topic among teenagers. But what does the Bible say about it? In this series we'll have age-appropriate conversations about friendships, dating, and marriage in light of God's truth.
